Dear Sir,

We are writing in response to the correspondence "Failure to Acceptably Respond to Notice of Non-Compliant Amendment" mailed on December 2, 2005, indicating our previous response to Notice of Non-Compliant Amendment filed on September 27, 2005 is still considered non-compliant because each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified.

Applicants hereby respectfully provide a new amendment to the claims to present a complete listing of all of the claims. Pursuant to our past experiences, we believe the response initially filed on July 13, 2005 already identified the individual status of each claim. To fill the requirement by the Examiner, we accordingly amended the claims by listing all the cancelled claims respectively with the status identifier "cancelled". Attached herewith please find a copy of the new amendment to the claims.

Please charge the two-month extension fee in the amount of \$450.00 and other fees required with respect to the filing of the papers to Account No. 50-2620 under 37 CFR 1.136(a).
